In this thread we are going to discuss how we would make a new aquarian age religion for the curret times and the future.
To begin with, I think that we should all start using a pitcher of water as a symbol and for those of us that are initiated, the inner circle, we should use as symbol a lion.
How we should go about implementing entheogens in our new religion?

Don't post in this thread if you are a christcuck, muslim, kike

That's not really how religion works.

If you want to make one, you have to be the first cult leader yourself, and you can't tell anyone you're merely inventing it.

I disagree. The amount of disillusionment with mainstream religions actually makes this the perfect time to start a new one.

You have to actually go out and teach stuff and be charismatic though.

Based. Although I don't think esoteric orders can ever take the place of an exoteric community religion. Maybe that's where you'd find the priests for it.

midwits hate Crowley because there's so much propaganda against what he taught. you may dislike the man, but the system asserts the divine kingship of each and every person, responsibility and freedom of action, the injunction to live above the laws of man and follow what you know to be right.

slave-mentality brainlets will spew all sorts of nonsense about worshipping satan and killing kids. it is a kind of gatekeeping for us...you have to actually read the material despite all of the bad hype.

Crowley had some good ideas and I like his motto, "The Method of Science, the Aim of Religion" but I think he let his sexual deviancy mar his work. We can't allow those kinds of sexual orgies or homosex rituals that he implemented. But he showed the way forward.

Some more facts about the name & some meaningful astrological connections:

Corona comes the Greek "κορωνός" (korônós)
>Corona = crown = curve = crow (all derived from korônós)

CORONIS, lover of APOLLO, gave birth to ASCLEPIUS, the Greek god of SPIRITUAL MEDICINE, whose staff should be quite familiar to those in the know - the Staff of Asclepius
>(https://en.wikipedia.org/wiki/Coronis_(lover_of_Apollo))

Coronis was memorialized as the Constellation CORVUS, the crow/raven, the auspicious black bird.

The staff of Asclepius is analogous to the KUNDALINI energy, Snake traveling up spine.
Korônós can also be equated with Kronos (Saturn), the crowned one, the enforcer of karma, the ruler over the Golden Ages (the latest being the coming Age of Aquarius
>Shani is the God of Justice in Hindu religion and corresponds to Saturn. He delivers results to all, depending upon their thoughts, speech and deeds (karma). He also signifies spiritual asceticism, penance, discipline and hard work. He is often depicted mounted on a CROW.

The next Solar Eclipse - the next solar "Corona" - takes place on June 21, 2020 (an eclipse that falls on Apollo's Day, the summer solstice).
>This eclipse will partially visible from Wuhan, China
https://www.forbes.com/sites/jamiecartereurope/2019/06/21/in-exactly-one-year-a-rare-solstice-ring-of-fire-eclipse-will-race-across-earth/

A Great Conjunction is a conjunction of the planets Jupiter and Saturn. Great conjunctions occur regularly, about every 20 years.
>The next one occurs on December 21, 2020 (the Winter Solstice)

Revelation 9:
10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.

11 And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

12 One woe is past; and, behold, there come two woes more hereafter.

C - 3rd letter in the alpha bet, Strong's 3 is Abaddon/Apollyon/Apollo, Angel of the fallen pit, the destroyer of darkness with light
>https://biblehub.com/greek/3.htm

Ovid is sheep in latin

Strong's 19 is slaughter
>https://biblehub.com/greek/19.htm

Therefore: Covid-19 = "Angel of the fallen pit is bringing the sheep to the slaughter"

Apollo ended up killing the unfaithful Coronis

Crowley liked being a bottom. that doesn't mean you have to. but any Thelemite will maintain that it's no business of yours what two or more consenting adults do with each other's genitals.

what kinds of sex are still wrong as Thelemites? sex with children, the retarded, and anyone who tells you "no". children can't consent because they aren't fully cognizant of their actions. retards can't consent because potato. obviously no is still no.

if you can't accept that you don't accept the reality of human behavior and your philosophy will be just as bullshit as Christianity.

As we also have forgiven our debtors.
Save us in temptation, deliver us from evil,
And increasingly make us perfect like yourself.
